

# Heartwood Timbercraft Homes

## The Cottage Fully Timbered

The cottage plan creates an inviting indoor space to relax at the end of a busy day enjoying outdoor activities. The master suite and private balcony beckon you to take in the vistas from your private retreat. A second bedroom offers guests privacy while the bonus room offers a super “bunk house” room for the kids. This home’s vaulted great room and loft complete the warm ambiance of a wonderful timber frame home.
